Dacre Montgomery is an actor best known for his captivating performance as Billy Hargrove in Netflix's global phenomenon *Stranger Things*. Introduced in the show's second season, Dacre's portrayal of the volatile, complex stepbrother quickly became iconic. His blend of vulnerability and menace added layers to Billy, transforming what could have been a simple antagonist into one of the most emotionally resonant characters in the series. Audiences can look forward to seeing Dacre in the upcoming projects *Faces of Death* with Barbie Ferreira, *Went Up the Hill* with Vicky Krieps, and the newly announced *Dead Man's Wire* from Gus Van Sant, where he'll star alongside Bill Skarsgård.

Dacre Montgomery will be at the festival between May 30 and June 1, participating in special panels at the festival's Thunder Stage by Cinemex and Omelete Stage by Dos Equis, where he will spill exclusive behind-the-scenes stories, answer your most legendary questions, and create unforgettable moments. He'll also engage in a few Photo and Autograph sessions and will have fans buzzing through the Upside Down! The agenda for each of the activities will also be announced in the upcoming months by the event organizers.

To channel the inner superhero and show us all the powers; the cosplay master contest is also open! More information [HERE](#).

Don't miss out! For this 2025 edition, we have previously announced Xolo Maridueña to be part of the Thunder Stage by Cinemex, Omelete Stage by Dos Equis, and will have photo and autograph sessions on May 30 and 31! For the Artists' Valley, Julian Totino Tedesco, Mike Deodato, Rafael Grampá, and Trino are confirmed for all three days to explore more of their work, purchase exclusive artwork, and much more.

It's getting more epic, right? Stay tuned for more announcements and surprises as we gear up for the most epic pop culture event of the year. Let's make CCXPMX25 an unforgettable experience for fans across the globe.
